

Table 2. **Climate Action Strategy List**

#	Climate Action Strategy	2030 Savings (mT CO <sub>2</sub> e)
1	<b>100% Renewable Electricity</b>	(941,785)
	<b>Energy Efficiency</b>	(301,979)
2	Implement the existing commercial building benchmarking ordinance	
3	Implement energy efficiency programs	
4	Renew Residential Energy Conservation Ordinance requirement for home sales	
5	Provide loans and rebates	
6	Provide energy efficiency designs for new developments	
7	<b>Zero Waste by 2020</b>	(292,957)
	<b>Transportation Demand Management and Pricing</b>	(217,794)
8	Implement variable-rate road pricing in downtown	
9	Expand SFPark meter demand pricing program	
10	Convert street parking to a demand pricing program	
11	Promote transit-oriented development in priority development areas	
12	Improve public transit awareness through information integration	
13	Provide transit passes for new developments	
14	Continue parking cash-out program	
15	Increase distribution of employer transit passes	
16	Require hotel visitor transit passes	
17	Expand participation in San Francisco’s ridesharing 511 program	
18	Distribute transit passes to students and staff	
19	Coordinate transit shuttles	
20	Support neighborhood travel choice programs	
21	Expand SFGO signal synchronization	
22	<b>BART to Achieve 100% Renewable Energy by 2030</b>	(89,048)
	<b>Transportation Mode Shift</b>	(72,154)
23	Construct a protected cycletrack network	
24	Complete build-out of San Francisco’s bicycle plan	
25	Expand bicycle sharing, electric bicycle capacity	
26	Promote new development car sharing and bicycle parking	
27	Optimize transit system fleet, storage, maintenance	
28	Expand region transit core capacity	
29	Provide additional capacity for existing express transit corridors	
30	Complete Better Streets Plan	
31	<b>Muni Buses 100% Carbon-Free</b>	(69,302)
	<b>Electric Vehicles</b>	(59,774)
32	Develop and expand local electric vehicle market	
33	Convert taxi fleet to electric vehicles	
34	Convert service delivery vehicles to electric vehicles	
35	<b>Urban Forest: 700,000 additional trees</b>	(15,594)
	<b>Total savings over business as usual</b>	(2,060,388)
	<b>State Actions</b>	<b>Additional Savings Anticipated from State Actions</b>
	A. <b>Renewables Portfolio Standard</b>	(279,496)
	B. <b>Pavley Auto Fuel Economy Standards</b>	(890,495)
