

RECYCLE BATTERIES HERE

IT IS ILLEGAL TO THROW BATTERIES IN THE TRASH

Visit bit.ly/sfgov-hazwaste to pay SFDPH to recycle non-rechargeables, get free bins & pickup for rechargeables, or get posters of how to safely dispose toxic products.

Please tape over both ends of each lithium battery.

Batteries only—
No plastic bags.

Not accepted: lead-acid, wet cell, and automotive batteries.

SF Environment

Our home. Our city. Our planet.

A Department of the City and County of San Francisco
