

SF Environment

Our home. Our city. Our planet.

A Department of the City and County of San Francisco

Addressing the Climate Emergency

San Francisco Department of Environment

Bold Goals and Aggressive Reduction Targets

2017

2025

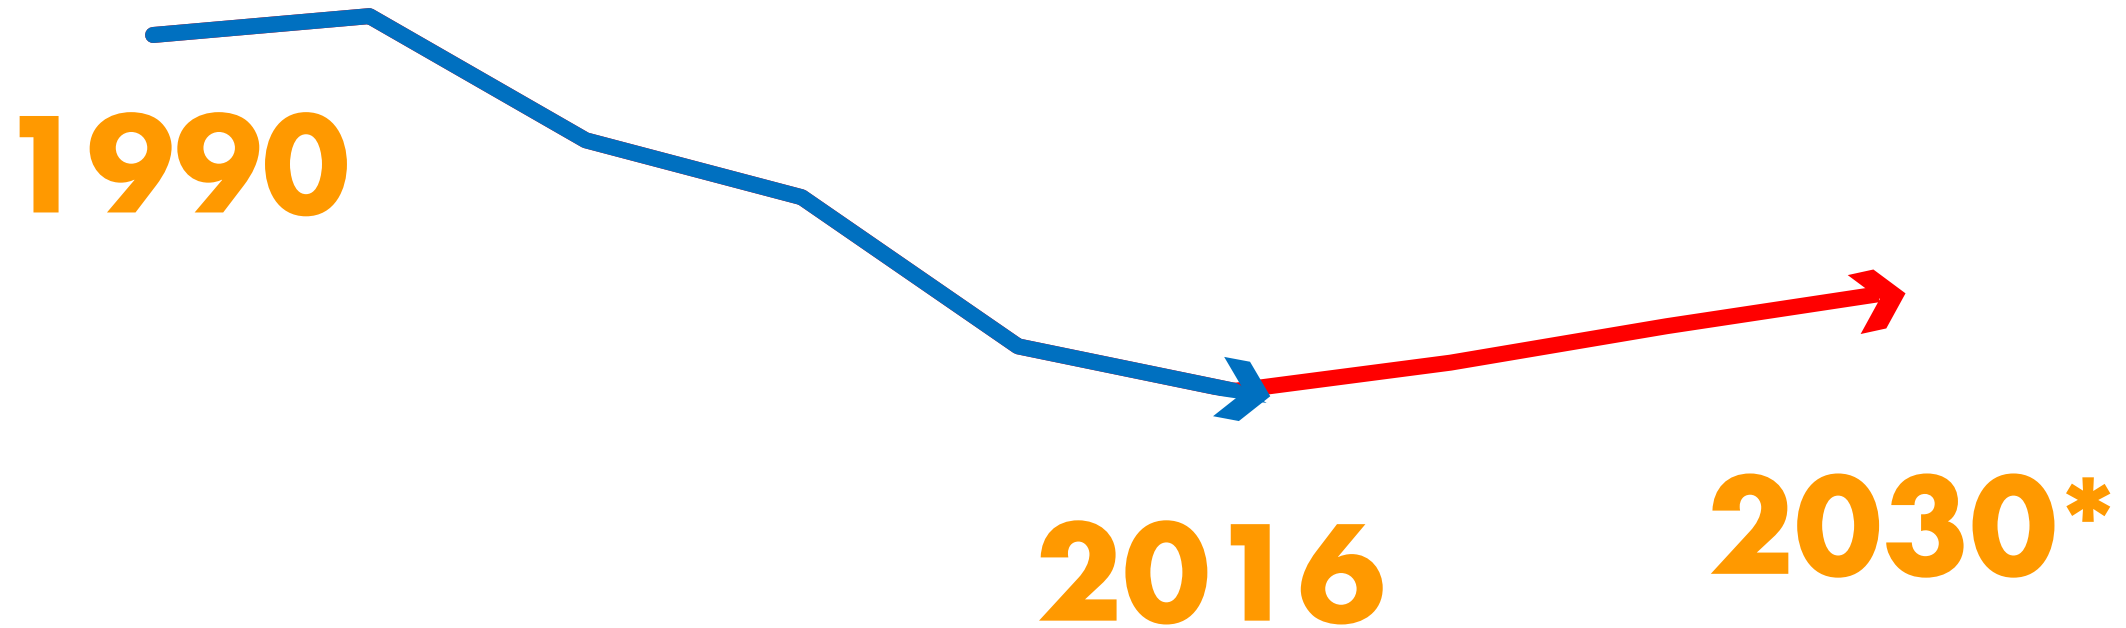

2050

**Reduce
as much
as possible**

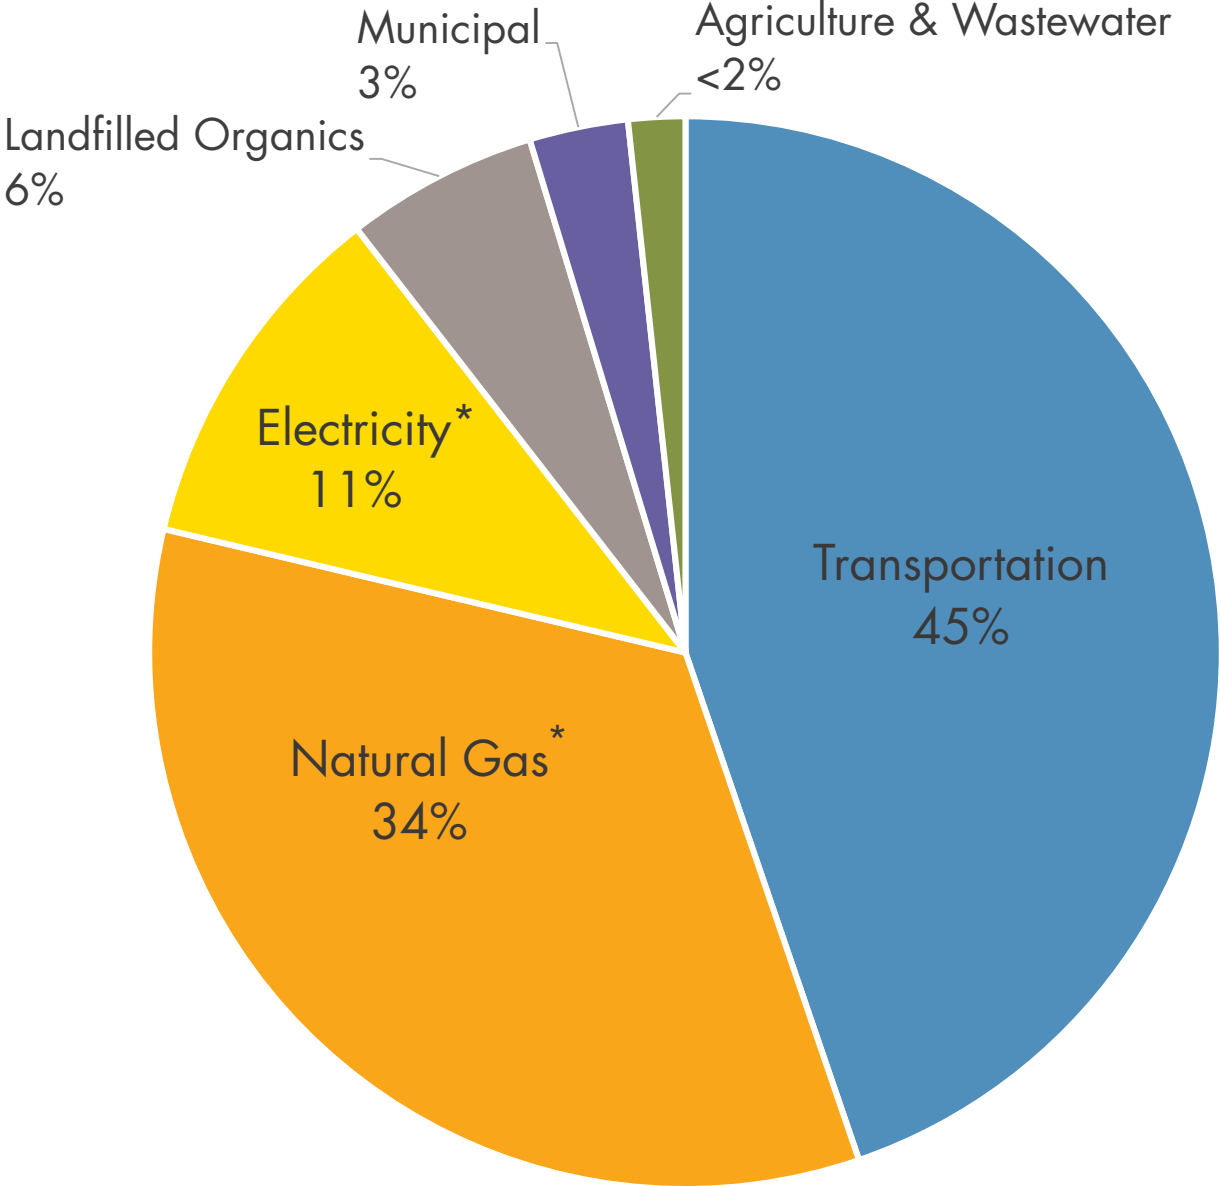

**Sequester
the rest**

Staying the Current Course

* Projected greenhouse gas emissions, business as usual

San Francisco's Emissions Sources Today

*Building Sector Emissions

Path to Accelerated Action
