1. Welcome

2. Minutes: The meeting minutes from March 14, 2018 were adopted as written.

3. Green Building Announcements

- Kathy Jung has been appointed to represent the Department of Public Health on the Task Force.
- The informational meeting for carpet specifiers and purchasers will be April 18th from 10 am-12 pm.
- The Municipal Green Building Inventory has been [published on DataSF](#) with certification details for each LEED certified project.
- A new version of Signmaker is available. Recycle, Compost, and Landfill signs can be customized and the website is now in English, Spanish, and Chinese: <https://sfrecycles.org/signmaker>.
- Wes Sullens, Director of Codes Technical Development for USGBC shared that on April 19th USGBC will be expanding the LEED-CALGreen streamlining effort to include recognized prerequisites and credits for LEED ID+C (Interior Design and Construction). There will also be a California Energy Code scoring pathway for LEED projects. Details and instructions will be posted online: www.usgbc.org/green-codes.

4. Presentation: MGBTF member Anthony Bernheim (SFO), led a presentation on the sustainability goals, design for energy efficiency and for global and human health, and outcomes for the SFO Terminal 1 projects. He was joined by members of the two Design-Build teams including staff from Arup, Gensler, and HKS Architects.
