

## **Annual Urban Forest Report Survey Alternate Survey Questions:**

Fiscal year July 1, 2014 through June 30, 2015

In keeping with the requirements of San Francisco Environment Code Chapter 12 Sec. 1209, SF Environment is surveying your organization's forestry program work for last fiscal year.

This survey is for organizations and agencies that support urban forest programming through policy, technical assistance, or funding.

- 1) Please provide the name of the organization or agency you are responding on behalf of.

--

- 2) Work force and budget:

a) How many urban forest related staff positions does your organization have?	
b) What is the budget for your urban forest related programming in fiscal year 2014-2015?	

- 3) Did you provide assistance to UF programs or organizations in SF this past fiscal year?

a) If yes, to TECHNICAL assistance which programs or organizations, and what was the nature of the assistance?	
b) If yes, to FINANCIAL assistance which programs or organizations, and what was the nature of the assistance?	

- 4) Is your organization or agency working on any other projects or programs that may affect San Francisco's Urban Forest?

a) If yes, what is the project/program status?	
------------------------------------------------	--

b) How can we assist or work with you on these projects/programs?	
-------------------------------------------------------------------	--

5) What, if any, significant changes or accomplishments have taken place within your organization's UF programs in the last fiscal year? For example, staffing or budget changes, new major projects or programs, changes to forestry management programs or oversight, or any significant achievements.

6) Are you working on regional, statewide, or national issues that we should know about and/or can support locally?

7) What topics are of greatest concern in your organization this year? For example, concerns about drought conditions affecting tree health, including increased pest or disease pressure, other tree health concerns, jurisdictional issues, or public response to an agency plan. We're interested in keeping our ears to the ground to know what matters most to you and your organization.
