Successes...
Success at a Dumping Hot Spot
Yosemite Slough Upland Area – Van Dyke Ave
Yosemite Slough Upland – Van Dyke Ave
Pile Cleared by SF Public Works!

488 Tons Removed!
Plan to prevent and deter illegal dumping by making Hot Spots less attractive to dumpers!
Next Steps…

• Identify and monitor dumping hot spots
• Continue to grow partnerships with city agencies
• Work within community to promote 311 and Phone App
• Utilize camera(s) to help with enforcement efforts, deter future dumping and prosecute big offenders!
• Consider campaign like Keep America Beautiful…
• Engage residents and business community
Illegal Dumping Map for Southeast 311 reports

Southeast Waterfront Waste Dumping

Red Squares: Open 311 reported cases

Blue Squares: Closed 311 reported cases

Blue Squares: Dumping observed by AECOM & Nature in the City.
Thank you.
