

1 [Resolution Making Findings to Allow Teleconferenced Meetings]

2 **Resolution making findings to allow teleconferenced meetings under California**
3 **government code section 54953(e)**
4

5 WHEREAS, California Government Code Section 54953(e) empowers local
6 policy bodies to convene by teleconferencing technology during a proclaimed
7 state of emergency under the State Emergency Services Act so long as certain
8 conditions are met; and
9

10 WHEREAS, In March 2020, the Governor of the State of California
11 proclaimed a state of emergency in California in connection with the
12 Coronavirus Disease 2019 ("COVID-19") pandemic, and that state of
13 emergency remains in effect; and
14

15 WHEREAS, In February 25, 2020, the Mayor of the City and County of San
16 Francisco (the "City") declared a local emergency, and on March 6, 2020, the
17 City's Health Officer declared a local health emergency, and both those
18 declarations also remain in effect; and
19

20 WHEREAS, On March 11 and March 23, 2020, the Mayor issued emergency
21 orders suspending select provisions of local law, including sections of the City
22 Charter, that restrict teleconferencing by members of policy bodies; those
23 orders remain in effect, so City law currently allows policy bodies to meet
24 remotely if they comply with restrictions in State law regarding teleconference
25 meetings; and
26

27 WHEREAS, On September 16, 2021, the Governor signed AB 361, a bill that
28 amends the Brown Act to allow local policy bodies to continue to meet by
29 teleconferencing during a state of emergency without complying with
30 restrictions in State law that would otherwise apply, provided that the policy
31 bodies make certain findings at least once every 30 days; and
32

33 WHEREAS, While federal, State, and local health officials emphasize the
34 critical importance of vaccination and consistent mask-wearing to prevent the
35 spread of COVID-19, the City's Health Officer has issued at least one order
36 (Health Officer Order No. C19-07y, available online at
37 www.sfdph.org/healthorders) and one directive (Health Officer Directive No.
38 2020-33i, available online at www.sfdph.org/directives) that continue to
39 recommend measures to promote physical distancing and other social
40 distancing measures, such as masking, in certain contexts; and
41

42 WHEREAS, The California Department of Industrial Relations Division of
43 Occupational Safety and Health ("Cal/OSHA") has promulgated Section 3205
44 of Title 8 of the California Code of Regulations, which requires most employers in
45 California, including in the City, to train and instruct employees about measures

1 that can decrease the spread of COVID-19, including physical distancing and
2 other social distancing measures; and
3

4 WHEREAS, Without limiting any requirements under applicable federal,
5 state, or local pandemic-related rules, orders, or directives, the City's
6 Department of Public Health, in coordination with the City's Health Officer, has
7 advised that for group gatherings indoors, such as meetings of boards and
8 commissions, people can increase safety and greatly reduce risks to the health
9 and safety of attendees from COVID-19 by maximizing ventilation, wearing well-
10 fitting masks (as required by Health Officer Order No. C19-07), using physical
11 distancing where the vaccination status of attendees is not known, and
12 considering holding the meeting remotely if feasible, especially for long
13 meetings, with any attendees with unknown vaccination status and where
14 ventilation may not be optimal; and
15

16 WHEREAS, On July 31, 2020, the Mayor issued an emergency order that,
17 with limited exceptions, prohibited policy bodies other than the Board of
18 Supervisors and its committees from meeting in person under any
19 circumstances, so as to ensure the safety of policy body members, City staff,
20 and the public; and
21

22 WHEREAS, the Urban Forestry Council Planning and Funding Committee
23 has met remotely during the COVID-19 pandemic and can continue to do so in
24 a manner that allows public participation and transparency while minimizing
25 health risks to members, staff, and the public that would be present with in-
26 person meetings while this emergency continues; now, therefore, be it
27

28 RESOLVED, That Urban Forestry Council Planning and Funding Committee
29 finds as follows:
30

- 31 1. As described above, the State of California and the City remain in a state
32 of emergency due to the COVID-19 pandemic. At this meeting, the Urban
33 Forestry Council Planning and Funding Committee has considered the
34 circumstances of the state of emergency.
35
- 36 2. As described above, State and City officials continue to recommend
37 measures to promote physical distancing and other social distancing
38 measures, in some settings.
39
- 40 3. As described above, because of the COVID-19 pandemic, conducting
41 meetings of this body in person would present imminent risks to the safety
42 of attendees, and the state of emergency continues to directly impact
43 the ability of members to meet safely in person; and, be it
44

1 FURTHER RESOLVED, That for at least the next 30 days meetings of the Urban
2 Forestry Council Planning and Funding Committee will continue to occur
3 exclusively by teleconferencing technology (and not by any in-person meetings
4 or any other meetings with public access to the places where any policy body
5 member is present for the meeting). Such meetings of the Urban Forestry
6 Council Planning and Funding Committee that occur by teleconferencing
7 technology will provide an opportunity for members of the public to address this
8 body and will otherwise occur in a manner that protects the statutory and
9 constitutional rights of parties and the members of the public attending the
10 meeting via teleconferencing; and, be it

11
12 FURTHER RESOLVED, That staff for the Urban Forestry Council Planning and
13 Funding Committee is directed to place a resolution substantially similar to this
14 resolution on the agenda of a future meeting of the Urban Forestry Council
15 Planning and Funding Committee within the next 30 days. If the Urban Forestry
16 Council Planning and Funding Committee does not meet within the next 30 days,
17 staff is directed to place such a resolution on the agenda of the next meeting of
18 the Urban Forestry Council Planning and Funding Committee.

19
20 I hereby certify that this Resolution was adopted at the Urban Forestry
21 Council Planning and Funding Committee meeting on August 02, 2022.
