## Landmark Tree Evaluation Form and Criteria

Pursuant to [Ordinance 0017-06](#) and [Public Works Code Article 16, Section 810](#), the Urban Forestry Council developed these criteria for evaluating potential landmark trees in San Francisco. When evaluating or considering potential landmark trees, please consider the context of the tree within its site location. For example, a tree on PUC land may not have the same community importance that a street or park tree would. Use the comment sections, as appropriate, to explain or support evaluation.
