Public Meeting

Pest Management Activities on City Properties and the Draft 2016 Reduced Risk Pesticide List

4:30 pm – 7:00 pm, December 16, 2015

Ground floor conference room, 1455 Market St., San Francisco (near 11th St.)

- 1) Introductions (8 min)
- 2) Purpose of meeting (1 min)
 - a) Hear justifications by City pest management staff for situations where exemptions to the Reduced Risk Pesticide List were granted, or where they used of “Most Limited” pesticides in 2015;
 - b) Collect comments on the proposed 2016 Reduced Risk Pesticide List;
 - c) Give San Francisco residents the opportunity to raise questions or concerns about pest management activities on City properties, for example, weeds, rodents, insects, mammals, birds, and aquatic plants;
 - d) Give City pest management staff a chance to hear public concerns and to explain their pest management activities.
- 3) Ground rules (1 min)
- 4) Departmental justifications for pesticide exemptions and “most restricted” pesticide use and discussion (80 min)
- 5) Presentation of “Draft Restrictions on Most Hazardous Herbicides” and discussion (20 min)
- 6) Presentation of “Draft 2016 Reduced Risk Pesticide List” and discussion (40 min)

ATTACHMENTS:

- A. Summary of pesticide exemptions for 2015
- B. SF IPM Program policy on the safe use of herbicides
- C. Draft Restrictions on “most hazardous” (Tier I) herbicides for the 2016 San Francisco Reduced Risk Pesticide List
- D. Draft 2016 San Francisco Reduced Risk Pesticide List
