

ZERO EMISSION BUILDING TASKFORCE Executive Steering Committee

Date: May 18, 2020	Host: San Francisco Department of Environment
Time: 3:00 p.m. to 3:55 p.m.	Location: Conference Call

Meeting Objectives:

- Review the City’s Climate Action goals and the importance of climate resilience and building decarbonization
- Review objectives and roadmap of Zero Emission Building Taskforce
- Provide an update on the progress of the working groups within the taskforce and present cross cutting themes; and
- Discuss the future of building decarbonization, economic recovery, and address committee’s questions.
